Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions

Introduction

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, institutions need to channelize its efforts and measures towards promoting the holistic academic excellence including the peer committee recommendations.

The guidelines provided in the following pages will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

IQAC – Vision

To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

Objective

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies

IQAC shall evolve mechanisms and procedures for

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- b) Relevant and quality academic/ research programmes;
- c) Equitable access to and affordability of academic programmes for various sections of society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of assessment and evaluation process;
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks
- b) Parameters for various academic and administrative activities of the institution;
- c) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- d) Collection and analysis of feedback from all stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters to all stakeholders;
- e) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;

- f) Documentation of the various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- i) Periodical conduct of Academic and Administrative Audit and its follow-up
- j) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

Benefits

IQAC will facilitate / contribute to

- a) Ensure clarity and focus in institutional functioning towards quality enhancement;
- b) Ensure internalization of the quality culture;
- b) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- c) Provide a sound basis for decision-making to improve institutional functioning;
- d) Act as a dynamic system for quality changes in HEIs;
- e) Build an organised methodology of documentation and internal communication.

Composition of the IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

1. Chairperson: Head of the Institution
2. Teachers to represent all level (Three to eight)
3. One member from the Management
4. Few Senior administrative officers
5. One nominee each from local society, Students and Alumni
6. One nominee each from Employers /Industrialists/Stakeholders
7. One of the senior teachers as the coordinator/Director of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution, accordingly the representation of teachers may vary. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- ♦ It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- ♦ It is advisable to change the co-ordinator after two to three years to bring new thoughts and activities in the institution.
- ♦ It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.
- ♦ The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education.

The role of the Coordinator

The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The coordinator of the IQAC may be a senior/competent person with experience and exposure in quality aspects. She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility. Secretarial assistance may be facilitated by the administration. It is essential that the coordinator may have sound knowledge about the computer, data management and its various functions such as usage for effective communication.

Operational Features of the IQAC

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution, to have a work plan to achieve them and to specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The right balance between the health and growth of an institution needs to be struck. The IQAC has to ensure that whatever is done in the institution for “education” is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC will have a major role in implementing these functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and institutions may adapt them to their specific needs.

The Institutions are requested to submit the AQAR after one year from date of Accreditation every year. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle’s accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well as quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Report (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Governing Council/ Executive Council/Board of Management) for the follow up action for necessary quality enhancement measures.

The IQACs may create its exclusive window tab on its institutional website for keeping the records/files of NAAC, Peer Team Reports, AQAR, and Certificate of Accreditation Outcomes and regularly upload/ report on its activities, as well as for hosting the AQAR.

Revised Accreditation Framework

NAAC has launched Revised Accreditation Framework since July, 2017 and hence AQAR format also modified, in cognizance with the new methodology. The tools and parameters are designed in the new AQAR format are in such a way that the preparation of AQAR would facilitate the HEI’s for upcoming cycles of Accreditation. Data collected/prepared infuses quality enhancement measures undertaken during the years. Further, it also adds quality enhancement and quality sustenance measures undertaken in teaching, learning, research, extension and support activities of the Institution. It is hoped that new AQAR would facilitate Educational Institutions for creating a good database at Institutional level for enhancing the quality culture.

As per the Revised Accreditation Framework (RAF), the NAAC Accredited institutions need to submit the AQAR online. NAAC is in the process of ICT integration in Assessment and Accreditation. The login id for the online submission for AQAR submission will be the e-mail id used for the IIQA. The AQAR submission is part of the post accreditation module, in due course of time. NAAC portal will have the facility to submit the AQAR online and Institutions will receive automated response.

The Higher Education Institutions need not submit the printed/hard copy of AQAR to NAAC.

Mandatory Submission of AQAR by IQAC

The Executive Committee of NAAC has decided that **regular submission of AQARs is mandatory for 2nd and subsequent cycles of accreditation with effect from 16th September 2016:**

The following are the pre-requisites for submission of IIQA for all Higher Education Institutions (HEIs) opting for 2nd and subsequent cycles of A&A:

- Having a functional IQAC.
- The minutes of IQAC meeting and compliance to the decisions should be uploaded on the institutional website.
- Mandatory submission of AQARs on a regular basis for institutions undergoing the second and subsequent cycles of Assessment and Accreditation by NAAC.
- Upload the AQAR's on institutional website for access to all stakeholders.

Note: The terms and abbreviation used in AQAR are in accordance with respective manuals for assessment of NAAC. Please refer institutional manual for glossary and abbreviations terms used in AQAR.

The Annual Quality Assurance Report (AQAR) of the IQAC
(For Affiliated/Constituent Colleges)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, June 1, 2017 to May 31, 2018)*

The Governing Body who is the master mind of the college that forms a committee as per order of the DHE comprising scholars from all sections of the society including the president and the secretary. The IQAC ,has been upgraded from time to time to keep it updated with the latest norms of the NAAC. The IQAC that has been chaired by the principal consists a number of the Sub-Committees. There have been a number of Sub-Committees that have been headed and run by the senior teachers of the college. The Cultural Committee looks after the problems of the girl students while The NSS awakens the society through meetings ,dialogues and various such programs. The Museum Cell looks after the utensils of the museum. All these Sub-Committees that operate their activities and keep its records under the guidance of the IQAC has been chaired by the Head of the Institution and the problems raised in the meeting have been placed in The G.B for discussion and final decision. The final decision of The G.B becomes mandatory to abide by it for the greater future of the institution and the students as well. The president of The Governing Body who is himself a reputed scholar visits the institution at regular interval and consults with the college employees. The IQAC under his guidance seeks feedback from various stake holders and discusses with teachers in the open meeting. It is said that change is the eternal law. As a result this cycle of activity runs wild with the passage of time.

CRITERION I – CURRICULAR ASPECTS
1.1 Curriculum Planning and Implementation
1.1.1 Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

It is the duty of The Board of Studies of The University of Dibrugarh to frame curriculum planning and issue order to the college to implement it effectively within the fixed time and framework. The CBCS course that is logical and scholarly gives the learners to abide by their choices so far various subjects are concerned. The monitoring of the classes, timely distribution of the syllabus, magazines and reference books and, above all, the guidance of Shri Ghana Kanta Nath, the president of the G.B are the part and parcel of this running education system. They try their best to implement the entire process on time. The unit tests, seminar presentations, home assignments, and technological devices are the leading factors that have been monitored closely with care.

The Academic Calendar has been framed by the Board of Studies of the University but implemented by the affiliated colleges on its behest. The Academic Calendar has been framed for the colleges for the better educational scenario. Rangachahi College has made a separate academic calendar within the purview the University prescribed academic calendar that has been unanimously abided by the college family to run the classes and the other academic and society related activities on time. The affiliated college is not at liberty to frame the Academic Calendar independently.

Students Satisfaction Survey

Students Satisfaction Survey is the part and parcel of the learning process that keeps the students not only conscious but also the teaching

The IQAC conducts the feed back process and collects the distributed questionnaires from the students. The students' opinion is collected among the faculties. The feed back is the only process through which the students express their views about the faculties. The students' consent and written comments are openly discussed that become the pillar of progress for the next session. Perfection is required, sometimes extra classes are required and sometimes some facilities are required. The feed back is the continuous process. Sports facilities have also been made available as per requirement of the Students Union. The Students Union is at liberty to use the documents related with books or sports.

The feed back process has been initiated and discussed under the guidance of the Head of the Institution. All stakeholders provide precious advices for the over all academic development. Shri Amulya Chand Borah, Academic Co-ordinator, looks after the

4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (*maximum 500 words*) (information to be available in institutional Website, provide link)

The college lacks adequate quality of infrastructure and physical facility for teaching and learning purpose . The NAAC peer Team visited in 2017 and suggested several measuring rods for solving the problems. The college has applied in several statutory bodies for the enhancement of the infrastructure . The infrastructure in the CBCS course requires more and more rooms for effective presentation in the class rooms. However the college is maintaining it through its limited resources and infrastructural facilities. The college contains dozens of computers for the use of the students. The books, magazines, journals , reference books etc are available for them to go through and enhance their wisdom to its utmost degrees. Auditorium and Seminar Hall provide golden opportunity to flourish for one and all. Library facilities are open not only for the students but also for the villagers and the learners with the due permission of the concerned authority.

The college has been found busy in various models of extension activities that have been organized at various villages by sub committees-Women Cell ,NSS etc. To make the students the ideal citizen is the prime purpose of this institution .

Awareness program has been done regularly against social evils such as superstition , witch-hunt , fanaticism , outdated views etc that have been discussed from one place to another. The NSS plays an active role in this perspective. The ethical values , cultural heraldry, spiritual idea , ecological issues and traditional issue have been discussed in and outside college premise. Creative programs have been dealt with effectively for the spiritual progress. The students are made acquainted with various social, national and international issues of which the problems of erosion at Majuli, CAA state and ecological problems are common for one and all. Though most of the students come from uneducated family and they focus their attentions on bread and butter rather than perfection of knowledge . However the teachers try their best to share views with them that will make our society civilized with the passage of time . The continuous effort gives the fruitful result sooner or later .

The members of the Alumni Association who have been found dedicated to the development of the college family organizes meeting with the Head of the institution and the co-ordinator of the IQAC as well. The Alumni is one of the pillars of the academic environment. The gathering of the Alumni and conversation with the students in general and the girl students in particular plants the germs of self-confidence, conscience and, above all, patience among the learners. To talk about the academic matters is the prime purpose of this association. It is also the prime purpose to advise the concerned authority for the better future of the students in the days to come. Sometimes they suggest the students how to face and flourish happily in this age of cut-throat competition. As a matter of fact they play the role of the guardians for the students. The Alumni associates with the president of The G.B, Principal of the college, all co-ordinators, Heads and all faculties and makes a bridge of harmony, peace and prosperity on this river locked island of Assam. Occasionally they help the institute financially.

The members of the Alumni supports morally, philosophically and educationally to its utmost degrees.

CRITERION VI –GOVERNANCE, LEADERSHIP AND MANAGEMENT
6.1 Institutional Vision and Leadership
6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)
<p>Indian higher education that is committed for the gradual future of mother of measuring methods for the sound health of the educational environment . Environmental` order is really a matter of global concern rather than the country. Being the backbone of the country the educational institutions have implemented several ways to create eco-friendly atmosphere here, there and everywhere. The college is free to adopt the way it likes for its proper order. The college implements several ways to make environment friendly that message has been carried from school to higher educational institutions. In India the earth has been popularly called Mother Earth .</p> <p>The message of being eco friendly that has been spread far and wide is the ultimate goal of the proper education. Majuli is ,no doubt , a river locked junction where various</p>

species , wild animals and insects live together ? As a result the environmental sanctity has been widely appreciated with open heart and sound mind by the Majulians.

No one can ignore the vital role of the planted bushes done for the sake of the ecological order amidst the monetary minded fellows .Some technological measures can control the polluted environment in the urban places. To keep the environment pollution free is the moral responsibility of all citizens irrespective of the countries they belong to ? Indian Higher Education has become an eye opener for the ecological order on this earth. The best way is to fill their heart with this emotion that they are the children of mother earth and it is their prime duty to look after various objects of mother earth at heart and soul .

Rangachahi College that lies in the middle of this river junction breaks the record by making college premise pollution free from water or air or sound pollution. The plantation in the botanical garden has set an exemplary example for the other colleges and the villages as well .The pollution free environment stirs for the sensations and innovative visions that can be observed with the passage of time.

Rangachahi College Museum that came in to existence in 2016 under the guidance of the Principal of the College has become a glorious revolution in the history of this college in which several valuable objects have been kept preserved for the generation next to come. The college museum contains some valuables stones, postal tickets of various countries, coins, wooden craft, bamboo made objects, ladies ornaments and dresses, and various others to keep the existing generations up to date with the passage of time. Majuli is known for the wooden bamboo made objects and cultural identity all over Assam. Here lies a list of some of the valuable objects of the museum.Bamboo made mask, Chair, Sofa, Table,Jokai-khalueo,fishing, palah-Juluki, Uvati, Dingora, Pauri, Khoka, ban,Kholah, Barokhi,

Chalani,Ghani and other things are available.

6.1.2 Does the institution have a Management Information System (MIS)?

Yes/No/Partial:

The G.B is the brain of the institution that forms a committee comprising all sections of the society excluding a president and secretary. The IQAC has been formed and designed from time to time to keep it updated with the latest norms of the NAAC. The IQAC that has been chaired by the principal consists a number of the Sub-Committees. There have been a number of Sub-Committees that have been headed and run by the senior teachers of the college. The Women Cell looks after the problems of the girl students while The NSS awakens the society through meetings ,dialogues and various such programs. The Museum Cell looks after the utensils of the museum. All Sub-Committees that operate their activities and keep its record works under the guidance of the IQAC has been chaired by the Head of the Institution and the problems raised in the meeting have been placed in The G.B for discussion and final decision. The final decision of The G.B becomes mandatory to abide by it for the greater future of the institution and the students as well. The president of The Governing Body visits the institution and are always in consultation with the employees. The IQAC under his guidance seeks feedback from various stake holders and discusses with teachers in the open meeting. It is said that change is the eternal law. As a result this cycle of activity runs wild with the passage of time.

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with

in 100 words each): Quality improvement is the continuous process that requires observation, application of innovative approach ,expertise in computerization and various other technical devices for drastic change with the passage of time. Timely unit test, completion of syllabus ,sporting ,debating and discipline are the part and parcel of life that makes life fruitful in the days to come. News paper reading, consultation with reference books, going through syllabus and maximum uses of library add additional charms in quality improvement.

❖ Curriculum Development

Curriculum :- The college is affiliated to Dibrugarh University where curriculum has been made by the Board of Studies of Dibrugarh University. The college has nothing to do in this perspective.

It is only the duty of the college authority to go through the classes taken and the syllabus completed during the stipulated framework of time and period. In the beginning of the academic session the problems related with curriculum have been amicably discussed regarding availability of the books and appointment of teachers .

❖ Teaching and Learning

The faculties have been found committed to the welfare of the students. They go through their attendance and pressurize them for their active participations in all social and academic activities. The teachers are personally acquainted with their parents. As a result it is very easy to handle them favourably for the academic classes.

It is the duty of the faculties to complete the syllabus on time so that they can easily prepare themselves for the final examination. The Departmental library has become fruitful for the

students. The college library is open for all.

❖ Examination and Evaluation

❖ Research and Development

❖ Library, ICT and Physical Infrastructure / Instrumentation

The college library that owns more than thirteen thousand books and journals remains always open from 9 A.M to 5 P.M for the sake of the students , the teachers and the other learning scholars. All are entitled not only to borrow the books with the prior permission of the concerned authority but also to go through books and journals in the reading room. Computer facility is available for them to search or explore the intensity of wisdom within a moment. Reference and text books are available for their studies. Projector has been added to thrill the learners to its utmost degrees.

❖ Human Resource Management

❖ Industry Interaction / Collaboration

❖ Admission of Students

The IQAC has already formed the Admission Committee for the admission in the TDC I. It is mandatory to have an admission form for the seeking student. They will have to fill up the forms and submit the office with all required documents within the fixed time allotted by committee. Since the college lies in a rural tribal area where the average students have been found less academic and more oriented for livelihood? Generally majority of them get their admission without any troubles. Hence the marks criteria is not applicable here. They get their admission without paying fees that have been carried away by the Govt. of Assam.

<p>Environmental Consciousness</p> <p>The prime purpose behind the environmental consciousness is to make the learners acquainted with ins and outs of nature in general and ecological order in particular . Ecological order has become a burning tension across the globe irrespective of rich or poor country they belong to . The sound health of nature will be most fruitful for all living beings on this strife –stricken earth . The prime purpose is to</p>						

<p>make the learners eco- friendly , lover of nature and to make friends of all living and non –living natural objects .</p> <p>The people are addicted to the existing rules and traditions rather than the creative trends . They prefer present to future in their daily routines. It is our utmost goal to accept nature as the bread and butter giver to all living beings in general and human beings in particular . To mould the masses towards innovative groves is not a child’s play for a scholar . However we have tried our best to motivate and guide the common herd for the better future of the races next to succeed . The labours, working classes people or rustic people have been found ignorant so far these things are concerned . As a result we have tried our best to motivate them in the proper direction and observe that our target is going to be implemented sooner or later . The friendly relation with these rustic people encourages them to abide by this novel vision for the better future of the society in spite of the immoral wind blowing all around the globe .</p> <p>The IQAC proposed tour of Jaipur, Puskar, Ajmer, Agra, Mathura and Vrindavan was warmly accepted not only by the Students’ Union but also by the G.B. Dozens of students visited various cultural, historical and valuable museums there in Jaipur, Ajmer, Pusker, Agra, Mathura and Vrindavan.</p>

Rangachahi College, Majuli that spreads a conducive atmosphere for the college family in general and the local people in particular has taken distinctive measures for the welfare of the common herd by enlarging the Botanical Garden through thick and thin . The extension of the garden becomes fruitful not only for the natural beauty but also for the ailing

people who have been benefitted from time to time without any cost. The plantation protects not only their lives but also encourages them to incline to for the plants ,trees and Ayurvedic treatment rather than other treatment . As a matter of fact the enrichment of the garden promotes them to abide by the order of Nature and gives the message of eco- friendly behaviour for the better future of the existing races and the races next to come . The college that is situated in the middle of this river locked island steals the show of the deprived voices and the SC and the ST as well. Inspite of yearly flood problems the college has introduced its progressive agenda to flourish with the passage of time for the Majulians in general and the deprived voices in particular.

The Governing Body of the college pays special attention for the sake of the progressive agenda and looks after all the measuring rods from time to time for the sound health of the college family. The young learned principal who himself belongs to Botany Department possesses his earnest desire to extend the area of the botanical garden and adds more and more plantation programs with the passage of time . His famous slogan 'Come with white but go with Green' makes him out and out an ecologist amidst the materialistic winds blowing here, there and everywhere . The number of plants that has been increasing one year after another has become fruitful for one and all. The college consists a long list of various plants , herbal trees, bushes and other trees that have been enriching the beauty of this Botanical Garden to its utmost degrees.
